## MESSAGE FROM THE PRESIDENT

I hope your holidays went as good as you planned.

We have not had anyone step up to help with the publishing of our newsletter, so, I am trying to get as much information to you as I am able. Please excuse any mistakes. We have a lot to tell you about, but would like more to do during these long month of winter.

During the month of March, we will need at least 4 new board members. Would you like to help your organization?

Please contact me at 248-624-6926 if you would like to join this great group of people.

Note the date of the March Board Meeting it has been moved to March 7.

Jacci Miller
